

Celebrating  
A Year Without A  
**STROKE**

“I felt like  
I was a  
stroke  
walking  
around  
waiting to  
happen.”

— Mellanie True Hills,  
AFib Patient and Advocate

The risk of stroke from atrial fibrillation (AFib) is real, and can quickly change your life. Watch the real stories of people who have experienced and seen first-hand how serious AFib-related strokes can be. They all share the mission of educating patients and their loved ones about stroke risk and prevention, so that they can Celebrate a Year Without a Stroke.
